Application No. 988

Docket No. 368

By Application No. 988, filed March 25, 1977, Suburban Transit Company (Suburban) seeks a certificate of public convenience and necessity, pursuant to Title II, Article XII, Section 4(b) of the Compact, to operate a shuttle service over certain streets in the District of Columbia, picking up passengers at Metrobus stops for transportation to the Capital Centre, Landover, Md., and return. By Order No. 1643, incorporated by reference herein, the Commission granted Suburban temporary authority to perform such service, effective January 25, 1977, through July 23, 1977. By Order No. 1669, served April 6, 1977, and incorporated herein by reference, a public hearing was scheduled for Monday, May 16, 1977.

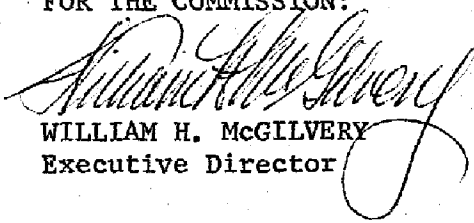

By letter dated April 20, 1977, Suburban sought a postponement of the hearing date to the next available date. The public hearing was postponed until May 23, 1977, by Order No. 1675, served April 22, 1977.

Order No. 1675 also directed, inter alia, that Suburban submit certain financial statements and a current equipment list on or before Thursday, May 5, 1977. Further, that order assessed Suburban the sum of \$200 and directed that it be delivered to the office of the Commission on or before Thursday, May 5, 1977.

On May 19, 1977, Suburban filed a financial statement. As of May 20, 1977, Suburban has failed to submit the required equipment list, and has failed to deliver the aforementioned assessment. For failure to comply with these directives of Order No. 1675, the public hearing scheduled for Monday, May 23, 1977, shall be cancelled.

THEREFORE, IT IS ORDERED that the public hearing in the above-captioned matter scheduled for May 23, 1977, be, and it is hereby, cancelled.
